

## **Disability Access Statement: The Woolf Institute**

Woolf Institute is to be found at Madingley Road, Cambridge CB3 0UB in the grounds of Westminster College. This brand new, purpose built building comprises four floors occupied by offices and conference rooms.

### **Car parking and arrival**

Disabled car parking space is usually available in the car park, clearly signed and is about 20 yards (smooth and paved) from the building entrance. There are no steps at the entrance and the threshold is easily negotiable by wheelchair or mobility scooter. The reception area is manned in office hours and you are asked to sign in to gain access to the building.

### **Ground Floor**

The Ground floor hosts the majority of events from conferences to concerts. There is a lift which will easily accommodate a wheelchair for access to the lower floor toilets, where there is one toilet equipped with facilities for wheelchair and disabled users.

### **Third Floor**

The Weston Room which is also used as a meeting room or for hosting outside functions, is located on the third floor and also accessible by lift. Outside the lift, there is a toilet fully equipped for disabled users. There is also an evacuation chair available for use in case of fire.

Should you have any queries, please contact Amy Rhys Davies [ar936@cam.ac.uk](mailto:ar936@cam.ac.uk), or the Office of Services & Administration.
